This amendment is submitted in response to the Final Office Action dated July 3, 2006, and also in response to a telephone conversation with the Examiner on July 31, 2006. The telephone conversation with the Examiner included a discussion regarding claim 1, and the Examiner indicated that, in his opinion, claim 1 as amended to more clearly define the location of a "local media library" as being separate from the DVD defines over the art of record.
